OUR PAST FOR THE FUTURE

Every part of Yorkshire has a story to tell that is woven into our soils, landscapes and buildings. This historic environment is one of our richest resources and gives a special quality to our lives. It is also irreplaceable. Yet because we live and work in it, it is easily overlooked or squandered.

Nothing stays the same. Change made the past, just as it will shape the future. But we owe it to those who follow us to find ways of managing change so that they will have a past for themselves.

That is why CBA Yorkshire exists: to give a voice to Yorkshire's past and to help enrich its future.

THE CBA YORKSHIRE REGIONAL GROUP

- is a network of individuals and organisations with an interest in Yorkshire's past
- provides a link between local archaeology, history and heritage societies and groups in Yorkshire and between professional archaeologists and enthusiasts
- is an independent voice of archaeology in Yorkshire.

THE CBA YORKSHIRE REGIONAL GROUP WORKS TO

- advance the study and care of Yorkshire's historic environment
- improve public knowledge of, and provide information about, Yorkshire's past
- encourage widespread participation in archaeology throughout society

OUR AIMS

- to bring together those interested in the archaeology of Yorkshire
- to campaign to raise awareness of Yorkshire's heritage
- to promote archaeology in education
- to encourage participation in archaeology
- to provide information on archaeological matters
- to support local, regional and national heritage societies
- to work with other partners in conserving the historic environment

BY JOINING THE CBA YORKSHIRE REGIONAL GROUP YOU CAN

- help us develop our work in education and conservation
- raise the profile of archaeology in the minds of decision makers
- be part of an organisation that really cares about Yorkshire's special heritage

GRANTS

A biannual grant of £200 is awarded at alternate AGMs through the King and Thubron Memorial Award schemes. This is open to any archaeological project undertaken in Yorkshire by amateur or student groups or individuals. From time to time, depending on available funding, additional grants may be made for other worthwhile projects at the discretion of the Trustees.
