

February AGM postponed

Given the foreseeable circumstances it will not be possible to hold our Annual General Meeting in the traditional manner on the 6th February 2021. The committee has therefore decided, in keeping with Charity Commission guidelines, to postpone the AGM until later in the year when hopefully the situation will improve, or we can arrange to conduct the necessary business of the AGM on-line and via email/postal voting to ensure that the rights of members are fully respected.

Several members of CBA Yorkshire's management committee were due to step down at the forthcoming AGM, having completed their normal terms of office. These include the **Chair, Vice-Chair, Heritage & Conservation Officer, Honorary Secretary, Membership Secretary, Digital Officer** and **Programme Officer**. All have agreed to continue in post until the deferred AGM takes place. Members who are interested in standing for these posts, or indeed that of the currently vacant post of **Associate Editor**, are warmly invited to contact the Hon Secretary, Dave Went, at secretary@cba-yorkshire.org.uk or write c/o CBA, 92 Micklegate, York YO1 6JX. Descriptions of all these posts can be found on our website:

<https://www.cba-yorkshire.org.uk/our-committee/>

We hope that members have enjoyed the programme of 'virtual' activities offered in recent months, starting with our on-line **Autumn Showcase**, and continuing with the first season of Zoom **'Fireside Chats'**. Further editions of the **Forum+** e-magazine (in addition to the annual Forum publication) are planned, and we are hoping that members will take advantage of the recently announced **CBAY grants** in support of Yorkshire archaeology. Details of all these can be found on the website <https://www.cba-yorkshire.org.uk/>

Please do consider joining the CBAY committee. We need your enthusiasm and ideas to support and promote community archaeology across Yorkshire.

Dave Went, Hon Secretary CBAY.
